Notes:

- a) This self-declaration must be constantly held by the minor, along with an ID. For both professional and non-professional racers, this self-declaration must be accompanied by a valid Licence/Sports Card/Mini Sport FMI Card.
- b) In case of doubts concerning the self-declaration points, you can seek advice from a paediatrician, as indicated by the ministry's protocols on anti-Covid checks and on possible conditions of positivity to coronavirus.
- c) Both professional and non-professional racers, in case of individual registration to race, must send a copy of this self-declaration to the Motor Club that they are registered with.
- d) Competitors who were positive to Covid-19 and have fully recovered, must refer to FMSI's protocols for sanitary checks (see dedicated section in the FMI Guidelines). They shall observe a period of gradual resumption of their sports activities for 15 days, after which, they can gradually start training again under the close supervision of a GP. The GP shall request further medical checks, if deemed necessary.

Privacy note:

As concerns the above declaration, I am aware of the penal sanctions that will be implemented in case of untrue declarations and false documents (Art. 76 DPR 445/2000) and I have knowledge of the authenticity checks that the Italian Motorcycling Federation is entitled to perform on the above declarations. The undersigned also declares that he/she has been informed that the personal details given might be processed with computer-based systems, but this shall occur solely within the tracing process for which this self-declaration is submitted.
